MAGAZINE DAY SET

FOR WEDNESDAY, APRIL 22, BY THE FEDERATION.

MONEY FOR REST ROOM

These Old Papers to Be Sold to Paper Mill in St. Louis—Get Your Old Magazines Ready.

Wednesday, April 22, is to be Magazine Day.

This means that the City Federation wishes every woman in Maryville to search her home for old magazines, tie them in bundles with strong cords and place them on the front porch early Wednesday morning to be collected by drays.

These magazines will be sold to the paper mills in St. Louis and the proceeds used for furnishing the new rest room which the county court will build in the basement of the court house this spring.

Does Maryville realize what this rest room proposition means?

It means a long, airy corridor, running the full length of the court house, with toilet rooms and lavatory at one end.

It means three spacious rooms full of sunshine and pure air, opening off this corridor, so the babies who visit Maryville can take their lunches and their naps in peace; so their mothers can croon lullabies, visit with their neighbors, rest their tired bodies and talk over what a grand, good town Maryville is.

It means that the women of Nodaway county need no longer do their visiting on the sidewalks of Maryville, subjected to the freezing cold of winter and the burning heat of summer.

It means much to the merchants of Maryville, for there will be comfortable resting places for tired customers when shopping is finished. It means all this and much more.

The City Federation has agreed to furnish these rooms, and now Maryville sees why the old magazines are needed.

The City Federation would not think of killing less than two birds with one stone, so at the same time it is furnishing the rest rooms it is helping you do your spring house cleaning, Mrs. Housekeeper.

So don't fail to have your magazines ready.

Do it now while you think of it.

A POOL ON BRIDGES IN MISSOURI

Highway Commissioner Buffum Secures Evidence That Big Concerns Are in a Deal.

Col. F. W. Buffum, state highway commissioner, believes that he has secured some strong evidence that an understanding amounting to a pool on the part of several bridge companies to divide the territory in Missouri between themselves exists. It appears at present that just a few companies secure all of the contracts for county and state bridges, do all of the work and meet with very little interference from outside companies. Their prices vary from one-third to one-half more than they should be. The companies all bid against each other, but there seems to be an understanding as to the lowest price to be bid on any contract, the company's territory that the work is to be done in usually being the one to secure the contract. In each instance, of course, the lowest responsible bidder being the one to secure the contract.

It is the purpose of Col. Buffum, if possible to break up this condition of things in the state and to give all companies, whether large or small, an equal chance at the work and thus reduce the prices to what they should be.

NO AUTO LICENSE

SHERIFF ED WALLACE HAS LIST WHO FAILED TO RENEW.

MUST ENFORCE LAWS

There Are 186 Cars Without License and the Largest Number of These Are in Maryville.

Sheriff Ed Wallace has received a list of automobile owners in Nodaway county who have failed to renew their licenses as is required by law. These cars have all had 1913 licenses, but have failed to renew them for 1914.

In Nodaway county there are approximately 650 cars. Out of this number 186 are now being operated without license, the largest number being in Maryville.

The fact that such a large number of cars remain without renewals is probably due to oversight in a large measure.

Should any of the cars on which the license has expired happen to accident or injury to some person, the fact that they were without license would go against them in a measure in the courts. This fact alone should act as a reminder to automobile owners that their license has not been renewed.

Cornelius Roach, secretary of state, has furnished Sheriff Wallace with a list of the names of automobile owners in this county who have not met the requirements of the law, and has requested him to enforce these laws to the letter.

Following is a list of the towns in this county and the number of automobile owners in each town who have failed to make their renewals:

MORE CORN PRIZES

FARMERS TRUST COMPANY OFFERS \$500 IN PREMIUMS.

FOR BEST ACRE OF CORN

Grown by Any Nodaway County Boy Between Ages of 10 and 21—Have to Register Before June 1.

Listen to this boys—\$150 in cash in first prizes alone. Study it over. It is possible that some Nodaway county boy may claim this honor next fall by simply raising the highest yield per acre of corn in this county. Here is the way that you may be able to do it.

Win the first prize in the county contest held by the Nodaway county Agricultural association and J. H. Harvey will give a thoroughbred Chester White gilt as a prize, which is worth at least \$25. Then take the first prize offered at the state show as representative from Nodaway county and you will receive \$35 from the state and \$40 from the county association, and in addition to these prizes the Farmers Trust company of Maryville offers to the Nodaway county boy receiving first prize in the county contest \$50 in cash, thus making it possible for some boy to receive \$150 in cash prizes. Then the boy who can take the second prize all the way through will receive \$100 in cash prizes. The county association will give \$10 to the boy who raises the second highest yield per acre of corn. Then, if he takes second at the state show he will receive \$25 from the state and an additional \$20 from the county and \$45 from the Farmers Trust company for receiving second prize in the county contest.

All that will be required of the boys entering the county contest is that they must live in Nodaway county and be between the ages of 10 and 12, and do the work exclusively themselves of raising the acre of corn. The boys who take the first and second prizes in the county contest will represent Nodaway county at the state contest at Sedalia.

In competing for the prizes offered by the Farmers Trust company all that will be required is that they shall register at the Farmers Trust company on or before June 1st, 1914.

The grand total of cash prizes offered by the Farmers Trust company is \$300, and all given to Nodaway county boys for just merely raising the best acre of corn. The main object of the Farmers Trust company in offering these prizes is to instill the young men of Nodaway county with greater enthusiasm in the corn contests, and to induce more young men to enter than have ever entered before. The more enthusiastic that the young men become in the contest the greater the benefits that will be derived.

The prizes offered by the trust company will be awarded in accordance with the decisions of the Nodaway County Agricultural association. The following are the cash prizes to be awarded for the best acre of corn grown in Nodaway county:

First prize	\$50.00
Second prize	45.00
Third prize	40.00
Fourth prize	35.00
Fifth prize	30.00
Sixth prize	25.00
Seventh prize	20.00
Eighth prize	15.00
Ninth prize	10.00
Tenth prize	5.00
Eleventh prize	5.00
Twelfth prize	5.00
Thirteenth prize	5.00
Fourteenth prize	5.00

Mr. C. D. Bellows, under whose personal supervision the contest will be held, will be pleased to confer with and advise the boys at any time.

It will be remembered that Nodaway county carried off both the first and second prizes at the state contest last year for the highest yield per acre of corn in the state. Hubert Corden of Burlington Junction took the first prize with 109½ bushels of corn to the acre.

The fact that the Farmers Trust company has offered such large prizes ought to insure Nodaway county of taking the state prizes again this year.

JOSEPH J. WARE DEAD.

Old Citizen Near Barnard Passed Away Monday Night After a Day's Illness—Funeral Wednesday.

Joseph J. Ware, 77 years old, living one mile and a half northwest of Barnard, died at 9 o'clock Monday night following an attack of heart trouble that seized him early Monday morning. The funeral services will be held at his late home Wednesday morning at 11 o'clock, conducted by Rev. Foreman of the Church of Christ of Bedford. Burial in Alumbaugh cemetery.

Mr. Ware had lived on the farm on which he died for forty-one years. He was born in Clearmont county, Ohio, and came to Missouri in boyhood with his father. He was married in this county on March 3, 1873, to Elizabeth Catherine Maffitt, a native of Oldhelm, Ky. Her death occurred thirty years ago. Six children were born to them, four of whom are living—Mrs. Ella Rogers, William A. Ware, Crutch Ware and Mrs. Anna Maffitt, all living near Barnard.

HIS NAME WAS MUNSON?

Letters Received So State It—Served a Term in Federal Prison.

"Dutch Charley," who was buried in Miriam cemetery last Tuesday, and who it is thought was Charles Heimburg, went under another name, it seems. To the police authorities of Des Moines, Ia., he was known as Charles Munson, the bank burglar.

Such was the information that was received in a letter from C. C. Jackson, assistant chief of police of Des Moines, to City Marshal E. C. Moberly. Mr. Jackson was sent a picture of "Dutch Charley" by Detective Story of the Chicago Great Western, and also the description, and it tallies well with the description of Munson.

Sheriff Ed Wallace received word from the federal penitentiary at Leavenworth, Kan., that Munson was imprisoned there in 1911 for robbing a postoffice at Creston, Ia. Photographs sent to the sheriff here gave a strong resemblance to "Dutch Charley."

The score was 46 to 32 in favor of the team representing the Sunflower state. After the game the club quartet gave several selections and the club sang several choruses. Lunch was served in boxes decorated in the Kansas state colors and the Missouri state colors, the latter being the Spizzierinkum club colors. All the members of the club were present and report a jolly good time. The next meeting will be at the Jensen home.

Grand Opera in St. Joseph

Tomorrow night the Chicago Grand Opera Company, Campanini, Conductor, will appear in the Opera by Massenet "THAIS" with MARY GARDEN AND HECTOR DUFRANNE in the leading parts. Only a few people from Maryville will find it convenient to attend this performance but the opportunity of hearing the records of these two great artists is possible to every one who cares enough about it to call

at the Landon Music Co. store in the Conservatory Building. If you care to hear either the records of these artists, or any of the records from "THAIS" you will be welcome at any time. Garden and Dufranne are only two of many great Operatic Stars who make records exclusively for Columbia. You will find in this carefully and intelligently selected list of Grand Opera Records, Columbia Gramophones from \$25 to \$500. Come in and hear the new styles, the "Regent" and the "Baby Regent". No talking machine made can excel them in tone, quality and distinctness. Needles, cleaners and all talking machine supplies.

After the regular Pupils Recital tonight, we will play several of the Garden and Dufranne records. You are invited to attend.

"State Seal" Watch Charm Warranted 14-K Gold Plated Rose Finish Medallion

To Every Purchaser of a 5c Pouch of TUXEDO

Every patriotic citizen of Missouri will want one of these Watch Charms. It stands for his state pride and loyalty.

Every detail of this State Seal is brought out by heavy embossing. Rich, lustrous, rose finish. Ready to attach to watch-fob or chain. A splendid example of the jeweler's art—an elegant, dignified, ornate decoration of symbolic value, that will appeal to every citizen of this State and induce him to try Tuxedo.

That is the object of this remarkable offer—the reason we have gladly gone to considerable trouble and expense to have this State Seal Medallion produced for us from specially made dies. We know from experience that the majority of men who try Tuxedo become permanent smokers of this superbly mild, delightful, healthful tobacco.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo is the favorite tobacco of critical American smokers—a refined tobacco for men of refined taste. No other tobacco has ever received the endorsement of so many famous Americans—leaders in their different spheres of activity, whose judgment carries weight and commands consideration.

Tuxedo is made from the very mildest, ripest Kentucky Burley tobacco—aged until perfectly mellow. Then treated by the original "Tuxedo Process" that makes Tuxedo absolutely non-biting and decidedly throat-soothing—and develops the wonderful mildness, fragrance and flavor of the Burley leaf in a way no other tobacco has ever successfully imitated.

The handy 5c Cloth Pouch of Tuxedo fits snugly in the vest pocket, and keeps the tobacco fresh and delicious by its inner wrapping of moisture-proof paper. Especially popular with smokers who make their own fragrant Burley cigarettes from Tuxedo.

FREE This Free "State Seal" Watch Charm is offered by the enterprising merchants whose names appear below. Their supply of Watch Charms is limited and they cannot obtain more—so call on the nearest of these up-to-date dealers right away. Get a 5c pouch of TUXEDO and ask for the "State Seal" Watch Charm, FREE.

DAGO FRANK CONFESSES

Tells Warden Two of Four Gun Men Killed Rosenthal.

CROFICI IN PLOT HIMSELF

Says "Gyp the Blood," "Lefty Louie" and Harry Vallon Fired Shots Slaying Gambler—Becker Not Mixed Up In It.

Albany, N. Y., April 14.—Shortly before "Dago Frank" Crofici went to the death chair in Sing Sing prison he told Warden Clancy that "Gyp the Blood" Horowitz, "Lefty Louie" Rosenberg and Harry Vallon, an informer, fired the shots which killed Herman Rosenthal, for which crime the four gun men paid their lives in the electric chair.

"So far as I know Becker had nothing to do with this case," the gun man also asserted. "It was a gamblers' fight."

Crofici averred he was five miles away at the time the crime was committed and that "Whitely Lewis" Seidenshiner, although present at the scene of the shooting, did not fire any of the shots.

Crofici made no attempt, however, to deny that he was included in the original plot to slay Rosenthal, even admitting that two nights before the gambler was slain he went with other gangsters to look for their intended victim. They were frightened away from Rosenthal on that occasion by men they thought were detectives. The condemned man also admitted that early on the night of the actual murder he was in the gray "murder car" with the gun men, but he insisted he left them before they shot the gambler.

He did not explain why he left the other gun men just prior to the shooting, but two reasons are advanced. One is that he became frightened and the other that he deserted in order to bail out his sweetheart, Jean Gordon, who had been arrested.

The statement, which was made verbally in the prison keeper's office, was the result of the insistent plea on the part of Crofici's mother and his sister for the truth.

THOUSANDS FOLLOW CORTEGE

Curious Gather at Undertaking Places Where Bodies Taken.

New York, April 14.—The bodies of the four gun men executed in Sing Sing prison were brought back to this city. That of "Whitely Lewis" Seidenshiner was buried in a Long Island cemetery. Emotional thousands of the east side fell in behind this cortege and followed it for blocks from an undertaker's parlor to the grave.

In front of the homes or undertaking establishments to which the other bodies were conveyed hundreds of curious persons gathered.

BASE BALL SEASON OPENS

National and American League Pennant Races Begin.

New York, April 14.—The major league pennant races of "organized ball" started today, with the clubs opposing each other as follows:

National League—At Brooklyn, Boston; at Philadelphia, New York; at Cincinnati, Chicago; at St. Louis, Pittsburgh.

American League—At Chicago, Cleveland; at Detroit, St. Louis; at New York, Philadelphia; at Boston, Washington.

While the forces of organized ball took the field in battle array, there also came a blare of trumpets from the Federal league grounds in Pittsburgh, where the Pittsburgh and Brooklyn teams of the Federals opened the season.

Philadelphia National League Club Asks \$25,000 Damages.

Chicago, April 14.—The Philadelphia National league baseball club filed two suits here in the United States district court against the officers of the Chicago Federal league club. The suits ask for \$25,000 damages and for an injunction restraining the Federal league from interfering with the Philadelphia club's players.

The first named Charles Weeghman, William M. Walker, James A. Gilmore, Joe Tinker, Robert B. Ward and Walter F. Ward, the two latter of Brooklyn. The second asked for an injunction restraining the defendants from alleged attempts to disrupt the Philadelphia National league team by hiring away from it players Seaton, Brennan, Killifer, Doolan and Knabe.

Girl Begins Hunt for Assailants.

St. Louis, April 14.—Though not fully recovered from the effects of an attack on her by three negroes in East St. Louis, Miss Catherine Motch, seventeen years old, started out determined to trail her assailants herself. The girl left the hospital and immediately took up the search. On a street car she overheard a conversation which led her to a place where several negroes were in hiding. She went to police headquarters with the information and two negro suspects were arrested. Miss Motch partially identified one as a member of the trio which took her from her escort and after dragging her into a dark alley left her wounded and hysterical.

MAGAZINE DAY SET

FOR WEDNESDAY, APRIL 22, BY THE FEDERATION.

MONEY FOR REST ROOM

These Old Papers to Be Sold to Paper Mill in St. Louis—Get Your Old Magazines Ready.

Wednesday, April 22, is to be Magazine Day.

This means that the City Federation wishes every woman in Maryville to search her home for old magazines, tie them in bundles with strong cords and place them on the front porch early Wednesday morning to be collected by drays.

These magazines will be sold to the paper mills in St. Louis and the proceeds used for furnishing the new rest room which the county court will build in the basement of the court house this spring.

Does Maryville realize what this rest room proposition means?

It means a long, airy corridor, running the full length of the court house, with toilet rooms and lavatory at one end.

It means three spacious rooms full of sunshine and pure air, opening off this corridor, so the babies who visit Maryville can take their lunches and their naps in peace; so their mothers can croon lullabies, visit with their neighbors, rest their tired bodies and talk over what a grand, good town Maryville is.

It means that the women of Nodaway county need no longer do their visiting on the sidewalks of Maryville, subjected to the freezing cold of winter and the burning heat of summer.

It means much to the merchants of Maryville, for there will be comfortable resting places for tired customers when shopping is finished. It means all this and much more.

The City Federation has agreed to furnish these rooms, and now Maryville sees why the old magazines are needed.

The City Federation would not think of killing less than two birds with one stone, so at the same time it is furnishing the rest rooms it is helping you do your spring house cleaning, Mrs. Housekeeper.

So don't fail to have your magazines ready.

Do it now while you think of it.

A POOL ON BRIDGES IN MISSOURI

Highway Commissioner Buff Secures Evidence That Big Concerns Are in a Deal.

Col. F. W. Buffum, state highway commissioner, believes that he has secured some strong evidence that an understanding amounting to a pool on the part of several bridge companies to divide the territory in Missouri between themselves exists. It appears at present that just a few companies secure all of the contracts for county and state bridges, do all of the work and meet with very little interference from outside companies. Their prices vary from one-third to one-half more than they should be. The companies all bid against each other, but there seems to be an understanding as to the lowest price to be bid on any contract, the company's territory that the work is to be done in usually being the one to secure the contract. In each instance, of course, the lowest responsible bidder being the one to secure the contract.

It is the purpose of Col. Buffum, if possible to break up this condition of things in the state and to give all companies, whether large or small, an equal chance at the work and thus reduce the prices to what they should be.

On Southern Trip.

Mrs. C. Q. Smith and Mrs. Mary J. Estes will leave Wednesday for Fayetteville, Ark., to visit Mr. and Mrs. Ed Orme. Mrs. Smith will return in ten days. They will be met there by Mrs. Fannie T. NO AUTO LICENSE

SHERIFF ED WALLACE HAS LIST WHO FAILED TO RENEW.

MUST ENFORCE LAWS

There Are 186 Cars Without License and the Largest Number of These Are in Maryville.

Sheriff Ed Wallace has received a list of automobile owners in Nodaway county who have failed to renew their licenses as is required by law. These cars have all had 1913 licenses, but have failed to renew them for 1914.

In Nodaway county there are approximately 650 cars. Out of this number 186 are now being operated without license, the largest number being in Maryville.

The fact that such a large number of cars remain without renewals is probably due to oversight in a large measure.

Should any of the cars on which the license has expired happen to accident or injury to some person, the fact that they were without license would go against them in a measure in the courts. This fact alone should act as a reminder to automobile owners that their license has not been renewed.

Cornelius Roach, secretary of state, has furnished Sheriff Wallace with a list of the names of automobile owners in this county who have not met the requirements of the law, and has requested him to enforce these laws to the letter.

Following is a list of the towns in this county and the number of automobile owners in each town who have failed to make their renewals:

MORE CORN PRIZES

FARMERS TRUST COMPANY OFFERS \$300 IN PREMIUMS.

FOR BEST ACRE OF CORN

Grown by Any Nodaway County Boy Between Ages of 10 and 21—Have to Register Before June 1.

Listen to this boys—\$150 in cash in first prize alone. Study it over. It is possible that some Nodaway county boy may claim this honor next fall by simply raising the highest yield per acre of corn in this county. Here is the way that you may be able to do it.

Win the first prize in the county contest held by the Nodaway county Agricultural association and J. H. Harvey will give a thoroughbred Chester White gilt as a prize, which is worth at least \$25. Then take the first prize offered at the state show as representative from Nodaway county and you will receive \$35 from the state and \$40 from the county association, and in addition to these prizes the Farmers Trust company of Maryville offers to the Nodaway county boy receiving first prize in the county contest \$50 in cash, thus making it possible for some boy to receive \$150 in cash prizes. Then the boy who can take the second prize all the way through will receive \$100 in cash prizes. The county association will give \$10 to the boy who raises the second highest yield per acre of corn. Then, if he takes second at the state show he will receive \$25 from the state and an additional \$20 from the county and \$45 from the Farmers Trust company for receiving second prize in the county contest.

All that will be required of the boys entering the county contest is that they must live in Nodaway county and be between the ages of 10 and 12, and do the work exclusively themselves of raising the acre of corn. The boys who take the first and second prizes in the county contest will represent Nodaway county at the state contest at Sedalia.

In competing for the prizes offered by the Farmers Trust company all that will be required is that they shall register at the Farmers Trust company on or before June 1st, 1914.

The grand total of cash prizes offered by the Farmers Trust company is \$300, and all given to Nodaway county boys for just merely raising the best acre of corn. The main object of the Farmers Trust company in offering these prizes is to instill the young men of Nodaway county with greater enthusiasm in the corn contests, and to induce more young men to enter than have ever entered before. The more enthusiastic that the young men become in the contest the greater the benefits that will be derived.

The prizes offered by the trust company will be awarded in accordance with the decisions of the Nodaway County Agricultural association. The following are the cash prizes to be awarded for the best acre of corn grown in Nodaway county:

First prize	\$50.00
Second prize	45.00
Third prize	40.00
Fourth prize	35.00
Fifth prize	30.00
Sixth prize	25.00
Seventh prize	20.00
Eighth prize	15.00
Ninth prize	10.00
Tenth prize	5.00
Eleventh prize	5.00
Twelfth prize	5.00
Thirteenth prize	5.00
Fourteenth prize	5.00

Mr. C. D. Bellows, under whose personal supervision the contest will be held, will be pleased to confer with and advise the boys at any time.

It will be remembered that Nodaway county carried off both the first and second prizes at the state contest last year for the highest yield per acre of corn in the state. Hubert Corken of Burlington Junction took the first prize with 109½ bushels of corn to the acre.

The fact that the Farmers Trust company has offered such large prizes ought to insure Nodaway county of taking the state prizes again this year.

JOSEPH J. WARE DEAD.

Old Citizen Near Barnard Passed Away Monday Night After a Day's Illness—Funeral Wednesday.

Joseph J. Ware, 77 years old, living one mile and a half northwest of Barnard, died at 9 o'clock Monday night following an attack of heart trouble that seized him early Monday morning.

The funeral services will be held at his late home Wednesday morning at 11 o'clock, conducted by Rev. Foreman of the Church of Christ of Bedford. Burial in Alumbaugh cemetery.

Mr. Ware had lived on the farm on which he died for forty-one years. He was born in Clearmont county, Ohio, and came to Missouri in boyhood with his father. He was married in this county on March 3, 1873, to Elizabeth Catherine Maffitt, a native of Oldhelm, Ky. Her death occurred thirty years ago. Six children were born to them, four of whom are living—Mrs. Ella Rogers, William A. Ware, Crutch Ware and Mrs. Anna Maffitt, all living near Barnard.

HIS NAME WAS MUNSON!

Letters Received So State He Served a Term in Federal Prison.

"Dutch Charley," who was buried in Miriam cemetery last Tuesday, and who it is thought was Charles Helmberg, went under another name, it seems. To the police authorities of Des Moines, Ia., he was known as Charles Munson, the bank burglar.

Such was the information that was received in a letter from C. C. Jackson, assistant chief of police of Des Moines, to City Marshal E. C. Moberly. Mr. Jackson was sent a picture of "Dutch Charley" by Detective Story of the Chicago Great Western, and also the description, and it tallies well with the description of Munson.

Sheriff Ed Wallace received word from the federal penitentiary at Leavenworth, Kan., that Munson was imprisoned there in 1911 for robbing a postoffice at Creston, Ia. Photographs sent to the sheriff here gave a strong resemblance to "Dutch Charley."

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. Following is an account of the wedding of a former Maryville girl, taken from the St. Joseph News-Press:

Miss Nora Martin and Mr. Howard Peterson were married at 5 o'clock yesterday afternoon at the home of

the bride's parents, Mr. and Mrs. Charles Martin, Eighteenth and Atchison streets. The Rev. G. W. Herbold, pastor of Copeland Baptist church, officiated, using the ring ceremony. Miss Maud Martin, sister of the bride, and Mr. Wilbur Peterson, the bridegroom's brother, were the attendants. Preceding the ceremony Mrs. G. W. Herbold sang "O Perfect Love," by Burleigh, and played Mendelssohn's wedding march for the processional. During the ceremony "Annie Laurie" was played. Supper was served with covers laid for thirty-five. Mr. and Mrs. Peterson will live at 1713 Center street.

Spizzerinkums Played Football.

The Spizzerinkum club has again put itself on record in the way of affording original entertainment at their meetings. Miss Lydia Ambrose was the hostess at the club's last meeting, held Friday night. After the business session the club divided up into the "Kansas Jayhawkers" and the "Missouri Tigers" and pulled off a perfectly splendid football game. The score was 46 to 32 in favor of the team representing the Sunflower state. After the game the club quartet gave several selections and the club sang several choruses. Lunch was served in boxes decorated in the Kansas state colors and the Missouri state colors, the latter being the Spizzerinkum club colors. All the members of the club were present and report a jolly good time. The next meeting will be at the Jensen home.

"TIZ" FIXED MY SORE, TIRED FEET

Just take your shoes off and then put those weary, shoe-crinkled, aching, burning feet of yours in a "TIZ" bath. Your toes will wiggle with joy; they'll look up at you and almost talk and then they'll take another dive in that "TIZ" bath.

When your feet feel all tired out—just try "TIZ." It's grand—Your feet will dance with joy; no more pain in corns, callouses and bunions. There's nothing like "TIZ." It's the only remedy that draws out all the poisonous exudations which puff up your feet and cause foot torture.

Get a 25 cent box of "TIZ" at any drug or department store, don't wait. Ah! how glad your feet get; how comfortable your shoes feel. You can wear shoes a size smaller if you desire.

YOUR CHILD'S SIGHT
Should be a most important consideration. Many children are handicapped in school or subjected to petty nervous or physical ills by the effects of imperfect vision.

An examination of the eyes of 100,000 school children in New York City showed that nearly 10 per cent needed glasses. In Boston more than 20 per cent of the children were down on the books as "stupid," "stubborn" or "unruly."

Wearing glasses in childhood often averts serious trouble later on. Have your optician examine your child's eyes. If glasses are not needed you may be sure we will tell you so frankly.

Here Is Good News for Stomach Victims

Some very remarkable results are being obtained by treating stomach, liver and intestinal troubles with pure vegetable oils, which exert a cleansing, soothing and purifying action upon the lower bowels, removing the obstructions of poisonous fecal matter and gases and preventing their absorption by the blood. This done, the food is allowed free passage from the stomach, fermentation ceases and stomach troubles quickly disappear.

George H. Mayr, for twenty years a leading Chicago druggist, cured himself and many of his friends of stomach, liver and intestinal troubles of years' standing by this treatment, and so successful was the remedy he devised that it has since been placed in the hands of druggists all over the country, who have sold thousands of bottles.

Though absolutely harmless, the effect of the medicine is sufficient to convince any one of its remarkable effectiveness, and within 24 hours the sufferer feels like a new person. Mayr's Wonderful Stomach Remedy is now sold here by Pearson's Pharmacy and druggists everywhere.

Fels-Naptha Soap eases your work and saves your strength. The old-time way

of doing the week's wash meant that women all over the country hated Monday. It is no fun to stand over a tub all day, rubbing your hands sore on a washboard, or keep up a hot fire, with a heavy boiler full of clothes to lift up and down from the stove.

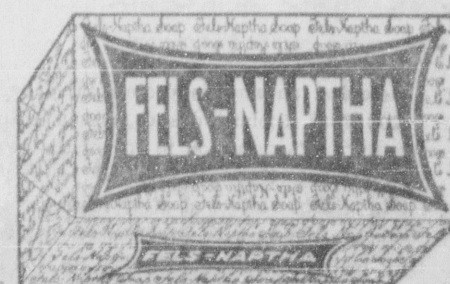

Fels-Naptha Soap has changed all this. It works best in cool or lukewarm water; it loosens the dirt, so that no hard rubbing is necessary, and the clothes do not need to be boiled. The Fels-Naptha way is easier on you and on your pocket-book, for it saves your health and it saves your clothes, as well as cleans them.

Every Woman Thanks Anty Drudge

Anty Drudge—"Why, Mrs. Smith; you look much better than the last time I saw you. You were all tired out with your housecleaning then."

Mrs. Smith—"Anty Drudge, I certainly am glad to see you! I never thanked you for telling me about Fels-Naptha Soap. Just step in the house, and when I get these last few pieces hung up I will be in. I never used to get through my wash till suppertime, but since I use Fels-Naptha Soap, and follow directions, the work seems to do itself, and I am so much better and stronger."

Follow the directions on the Red and Green Wrapper.

"State Seal" Watch Charm Warranted 14-K Gold Plated Rose Finish Medallion

To Every Purchaser of a 5c Pouch of TUXEDO

Every patriotic citizen of Missouri will want one of these Watch Charms. It stands for his state pride and loyalty.

Every detail of this State Seal is brought out by heavy embossing. Rich, lustrous, rose finish. Ready to attach to watch-fob or chain. A splendid example of the jeweler's art—an elegant, dignified, ornate decoration of symbolic value, that will appeal to every citizen of this State and induce him to try Tuxedo.

That is the object of this remarkable offer—the reason we have gladly gone to considerable trouble and expense to have this State Seal Medallion produced for us from specially made dies. We know from experience that the majority of men who try Tuxedo become permanent smokers of this superbly mild, delightful, healthful tobacco.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo is the favorite tobacco of critical American smokers—a refined tobacco for men of refined taste. No other tobacco has ever received the endorsement of so many famous Americans—leaders in their different spheres of activity, whose judgment carries weight and commands consideration.

Tuxedo is made from the very mildest, ripest Kentucky Burley tobacco—aged until perfectly mellow. Then treated by the original "Tuxedo Process" that makes Tuxedo absolutely non-biting and decidedly throat-soothing—and develops the wonderful mildness, fragrance and flavor of the Burley leaf in a way no other tobacco has ever successfully imitated.

The handy 5c Cloth Pouch of Tuxedo fits snugly in the vest pocket, and keeps the tobacco fresh and delicious by its inner wrapping of moisture-proof paper. Especially popular with smokers who make their own fragrant Burley cigarettes from Tuxedo.

FREE This Free "State Seal" Watch Charm is offered by the enterprising merchants whose names appear below. Their supply of Watch Charms is limited and they cannot obtain more—so call on the nearest of these up-to-date dealers right away. DAGO FRANK CONFESSES

Tells Warden Two of Four Gun
Men Killed Rosenthal.

GIROFICI IN PLOT HIMSELF

Says "Gyp the Blood," "Lefty Louie" and Harry Vallon Fired Shots Slaying Gambler—Becker Not Mixed Up In It.

Albany, N. Y., April 14.—Shortly before "Dago Frank" Girofici went to the death chair in Sing Sing prison he told Warden Clancy that "Gyp the Blood" Horowitz, "Lefty Louie" Rosenberg and Harry Vallon, an informer, fired the shots which killed Herman Rosenthal, for which crime the four gun men paid their lives in the electric chair.

"So far as I know Becker had nothing to do with this case," the gun man also asserted. "It was a gamblers' fight."

Girofici averred he was five miles away at the time the crime was committed and that "Whitely Lewis" Seidenshiner, although present at the scene of the shooting, did not fire any of the shots.

Girofici made no attempt, however, to deny that he was included in the original plot to slay Rosenthal, even admitting that two nights before the gambler was slain he went with other gangsters to look for their intended victim. They were frightened away from Rosenthal on that occasion by men they thought were detectives.

The condemned man also admitted that early on the night of the actual murder he was in the gray "murder car" with the gun men, but he insisted he left them before they shot the gambler.

He did not explain why he left the other gun men just prior to the shooting, but two reasons were advanced. One is that he became frightened and the other that he deserted in order to bail out his sweetheart, Jean Gordon, who had been arrested.

The statement, which was made verbally in the prison keeper's office, was the result of the insistent plea on the part of Girofici's mother and his sister for the truth.

THOUSANDS FOLLOW CORTEGE
Curious Gather at Undertaking Places Where Bodies Taken.

New York, April 14.—The bodies of the four gun men executed in Sing Sing prison were brought back to this city. That of "Whitely Lewis" Seidenshiner was buried in a Long Island cemetery. Emotional thousands of the east side fell in behind this cortege and followed it for blocks from an undertaker's parlor to the grave.

In front of the homes or undertaking establishments to which the other bodies were conveyed hundreds of curious persons gathered.

BASE BALL SEASON OPENS
National and American League Pennant Races Begin.

New York, April 14.—The major league pennant races of "organized ball" started today, with the clubs opposing each other as follows:

National League—At Brooklyn, Boston; at Philadelphia, New York; at Cincinnati, Chicago; at St. Louis, Pittsburgh.
American League—At Chicago, Cleveland; at Detroit, St. Louis; at New York, Philadelphia; at Boston, Washington.

While the forces of organized ball took the field in battle array, there also came a blare of trumpets from the Federal league grounds in Pittsburgh, where the Pittsburgh and Brooklyn teams of the Federals opened the season.

SUES FEDERAL MAGNATES
Philadelphia National League Club Asks \$25,000 Damages.

Chicago, April 14.—The Philadelphia National League baseball club filed two suits here in the United States district court against the officers of the Chicago Federal league club. The suits ask for \$25,000 damages and for an injunction restraining the Federal league from interfering with the Philadelphia club's players.

The first named Charles Weegman, William M. Walker, James A. Gilmore, Joe Finker, Robert B. Ward and Walter P. Ward, the two latter of Brooklyn. The second asked for an injunction restraining the defendants from alleged attempts to disrupt the Philadelphia National league team by hiring away from it players Seaton, Brennan, Killifer, Poolan and Knabe.

Girl Begins Hunt for Assailants.
St. Louis, April 14.—Though not fully recovered from the effects of an attack on her by three negroes in East St. Louis, Miss Catherine Motesch, seventeen years old, started out determined to trail her assailants herself. The girl left the hospital and immediately took up the search. On a street car she overheard a conversation which led her to a place where several negroes were in hiding. She went to police headquarters with the information and two negro suspects were arrested. Miss Motesch partially identified one as a member of the trio which took her from her escort and after dragging her into a dark alley left her wounded and hysterical.
